

Cooked food for your business.

Proteins, beans, rice, pasta, meals and sides.

Culinevo develops, cooks and supplies food for retail and foodservice. Choose Culinevo-branded products, private label or custom food development for your own brand and menu.

Choose your starting point.

Branded range: meals and sides.

Foodservice options: precooked salmon, quiche and boneless short rib.

Private label: a food or recipe brief for your own brand and menu.

How to buy.

Send the item or concept, required format, expected quantity, delivery location and target date. Sales confirms the specification, availability, pricing, order requirements and supply route before you place an order.

Contact Culinevo sales for product information, specifications and purchasing options.

The Culinevo collection.
